We understand that policyholders who arranged their insurance through OnRisk are experiencing difficulty in contacting OnRisk and accessing services.

We assure all policyholders that policies of insurance that have been arranged via OnRisk.co.uk, and underwritten by Alpha Insurance A/S remain valid and unaffected by any difficulties that may exist at OnRisk.co.uk.

All premiums that can be evidenced as receipted by OnRisk.co.uk in payment for a policy of insurance issued by Alpha Insurance A/S are deemed to have been received and accepted by Alpha Insurance A/S so please be assured that all such payments are secure.

Unfortunately at this time Alpha Insurance has very limited information on the individual policies and also of any claims that are outstanding and it would be of great assistance if you as a policyholder could provide your details to us by clicking on the **ENTER** button shown and then completing the form that presents. (You will need to be connected to the Internet to access the form)

We will acknowledge your information by e-mail.

If your policy is due for renewal we ask you to contact our new managing agent as detailed below.

It would be a great assistance if you could have full details of your existing insurance available when calling.
